Competition on stage:

This is the most unique way to show your work to the audience and judges. For The Lash World Cup 2020 we choose the theme “City”. Choose a city of your choice and create a complete look based on your chosen city. (Costume, hair, lashes etc)

You will prepare your model on Sunday and will practice with your model for the live show on stage in the afternoon.

During the day, our lash art judges will tell you and your model how the evening will go.
